I'm a motivated and fast learning IT student, with a strong academic record and a passion for technology. Backed by several years of experience in retail roles, along with technical skills gained from my education and determined self-learning, I am ready to begin my career in contributing effectively to the IT industry.

WORK EXPERIENCE

Bundaberg South School · IT Officer · **10/2026 - 11/2026**

I was given the opportunity to intern at Bundaberg South School's IT department for about a month before moving to Brisbane. I gained a large amount of knowledge on school network and IT management practices in my brief time there.

Aldi · Kepnock, Bundaberg · Relief Store Manager · **08/2023 – 11/2026**

Frequently managed and trained store assistants, delegating tasks and maintaining high standards of customer service and presentation. Handled store responsibilities, including cash orders and safe handling with a strong focus on accuracy and accountability.

Big W · Bundaberg · Store Assistant · **11/2019 - 06/2022**

As a first job during high-school, I performed many tasks across the store's departments, including load-running, customer service, handling orders and later overseeing new staff.
